For the experienced singers, the focus is on learning how to improvise and create harmony

# I. GROUP VOCAL WORKSHOP (1 TIME OR ONGOING)

## b. Genre Discovery

Introduction about the various musical genre of your choice, and learning a song together as a group.

# I. TEAM SPECIAL WORKSHOP (GROUP)

## c. Group Voice training + Team Bonding activity

Fun Vocal Exercises to build the  
foundation of GOOD VOICE

Group activities for completing the  
song and recording it together.

\*this is a special workshop and  
applies different price than regular  
vocal workshop/ lessons.

## II. PRIVATE VOCAL LESSONS (GROUP/INDIVIDUAL)

If your team is interested in preparing a performance for a special occasion or company event, we will be able to guide you, step by step in delivering the best performance within the given timeframe.

We provide customised singing lessons, both online and onsite lessons, to be carried out either at TVS or at the company's premises.

### III. VOCAL RECORDING

We offer audio recording, song production as well as music arrangement services for individuals or groups to create your very own professional recording.

Sound engineers and vocal directors will be present to guide you through the recording process. They will also conduct warm up exercises & lesson coaching.

## IV. MUSIC PERFORMANCE

The coaches at The Vocal Studio are professional performing artists who specialise in various genres of music.

From Western Pop to Standard Jazz, Latin, Broadway Musical, Bollywood as well as K-pop, we will be able to spice up your event with a music performance!
